

KAREN LOBIN PERKINS FULL STACK WEB DEVELOPER

✉ karenllobinperkins@gmail.com 🌐 <http://karenllobinperkins.com/> ☎ 4043080092 📍 Atlanta, GA 🗣 23carnies

SUMMARY ▶

As a design-oriented full stack developer, I bring energy and determination to everything I do. I am an empathetic leader and a creative problem solver. Given my background as a Rower and Crossfitter, in addition to my substantial experience in operations, I have the drive to accomplish goals in fast-paced team environments.

EDUCATION ▶

General Assembly
Certificate of Completion Software Engineering 2020

Georgia State University
BA Spanish for International Business

EXPERIENCE ▶

General Assembly · *Software Engineering Immersive / Engineering Fellow* July 2020 to Oct. 2020

GA's Software Engineering Immersive is a 420 hour training program dedicated to prepare students to think like engineers and approach problems creatively, building next generation web apps and digital products. I worked individually and with teams to create multiple real-world projects in different stacks and languages

Jerry Lobin Process Service Inc (JLPS) · *Operations Manager/Process Server* Mar. 2005 to May 2020

JLPS was a leader in the service of civil process in Metro Atlanta, hand delivering civil suits and garnishments to individuals and companies according to local statute. I started at the bottom, serving papers and manually entering data. I eventually took over all day-to-day operations as my father began to retire and sold the business.

- Managed 2-5 office employees and 5-10 outside contractors as well as separate payroll systems for each
- Cultivated relationships with clients and courthouse personnel in multiple jurisdictions
- Knowledge of Georgia law as pertaining to service of civil process, debt collection, filing civil documents in many different jurisdictions, and explanation of legal concepts to laypersons in a succinct manner
- Created system and trained all employees and subcontractors in legalities of the industry and software

ACTIVITIES ▶

Atlanta Rowing Club · *Rowing Instruction and Volunteering* June 2013 to Current

- Volunteer at the 2nd largest regatta in the U.S. working with referees, officials, and timing software
- Coach new rowers in Learn to Row classes, and give seminars on indoor rowing at local CrossFit gyms
- Competed in Masters competitions including the Canadian Henley and the Worlds Masters Regatta.
